Perennial Peanut Field Day

Saturday, July 23rd, 2016

9:30 AM EST Registration

\$10 per person

**UF/IFAS North Florida Research and
Education Center, Quincy, Florida**

The Perennial Peanut Producers Association and the University of Florida are teaming up to host a tour of ongoing perennial peanut research at the UF/IFAS North Florida Research and Education Center near Quincy, Florida. Registration begins at **9:30 AM EST** with the program starting at 10:00 AM. Lunch will be served after the indoor events, followed by field tours, and conclude with a walking tour of the variety trials at NFREC. There will be a variety of potted plants for sale on the day of the event.

Topics to be covered include:

- Perennial Peanut into Pastures
- Producer/Buyer/Sales Surveys
- Use of Alfalfa in Perennial Peanut Operations
- Ornamental Perennial Peanut & Landscaping
- Field Tours and Demonstration Plots

Applications for membership to the Perennial Peanut Producers Association will be available at the Registration Desk.

Directions: NFREC Quincy

From I-10, take Exit #181 (SR-267), and go north approximately ¼ mile. The Center is on the left at Research Road.

From US-Highway 90, go south on SR-267 approximately 3 miles. The Center is on the right, before you reach I-10.
